

## Sleek, versatile performer

A powerful All-in-One that adapts to the way you work

This trendy 23" All-in-One is a standout in any modern office, retail or reception environment, and its three adaptable stand options makes it versatile to suit any work style. It's packed with powerful security features to control access, safely store and remove data, and transfer data securely via USB. Plus, Intel® Small Business Vantage and Intel® Ready Mode ensure users are always productive with powerful remote access, chat, file sharing, and more.

### WHY YOU SHOULD BUY THE LENOVO™ S500z ALL-IN-ONE

**Stylish and trendy**

A stylish All-in-One space-saver with 23" touch and non-touch display. Perfect for any office, retail or reception environment.

**Totally versatile**

S500z actually adapts to any work style with three adaptable stands for frame, monitor or transformer configuration.

**Rock-solid secure<sup>1</sup>**

Lenovo™ Business Vantage Suite includes powerful security applications like DataSafe, SureErase, Smart USB Protection and Lenovo™ Bluetooth® Lock.

**Always productive**

Users are always connected with Intel® Small Business Vantage and Ready Mode – file sharing, chat, remote access, and more.

### THE LENOVO™ S500z ALL-IN-ONE IS BEST SUITED FOR

**1** Small and medium-sized businesses looking for a stylish, space-saving solution with touchscreen capability.

**2** Small and medium-sized businesses looking for a versatile desktop solution that suits multiple working styles.

**3** Small and medium-sized businesses seeking a desktop solution with powerful security and easy connectivity.
